Return To Compliance

Mr. James G. Nutter
President
Island Recycling, Inc.
91-140 Kaomi Loop
Kapolei, Hawaii 96707-1712

Dear Mr. Nutter:

On June 27, 2014 a hazardous waste compliance inspection was conducted by representatives of the United States Environmental Protection Agency (EPA), accompanied by representatives of the Hawaii Department of Health (HDOH), at the Island Recycling, Inc. (IRI) facility, with EPA Identification Number HIR000138263. During the course of this investigation, information was gathered in accordance with Section 3007(a) of the Resource Conservation and Recovery Act (RCRA), as amended {42 U.S.C. § 6927(a)}.

Pursuant to Section 3008 of RCRA {42 U.S.C. § 6928}, the EPA required you to correct the identified areas of noncompliance and to submit documentation of their correction to the EPA within thirty (30) days from the date of your receipt of the Notice of Violation Letter sent by the EPA on January 14, 2015.

IRI's submittals, dated August 7, 2014 to January 28, 2015 adequately addressed the violations which were noted during the inspection, and documents IRI's return to compliance with the regulations cited in the inspection report. This letter should not be construed as a determination by the EPA of your compliance with any other applicable regulation.

IRI should continue to take the necessary steps to maintain and ensure compliance with all applicable Federal, State and local environmental requirements. If you have questions related to the inspection report or this letter, please contact Christopher Rollins of my staff at (415) 947-4166 or rollins.christopher@epa.gov.

Sincerely,

A handwritten signature in blue ink, appearing to read "D. McDaniel", is placed below the word "Sincerely,".
